Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the *City of Frostproof North Water Plant Upgrades Project* in Fiscal Year 2027. The entity to receive funding for this project is the *City of Frostproof*, located at *111 West 1st Street, Frostproof, FL 33843*. The funding would be used for construction of upgrades to the City's North Water Plant, including electrical system improvements, pump station upgrades, and associated infrastructure to improve drinking water reliability and performance.

The project is an appropriate use of taxpayer funds because it modernizes aging infrastructure that has caused system outages and low-pressure events, ensuring reliable delivery of safe drinking water and protecting public health.

This project has a federal nexus because it is for the purposes authorized in Section 1452 of the Safe Drinking Water Act (42 U.S.C. 300j-12), which supports improvements to public water systems to ensure safe and reliable drinking water.

I certify that neither I nor my immediate family have any financial interest in this project.

Best regards,

Scott Franklin
Member of Congress
