CHAIRMAN

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Sebring Airport Authority Advanced Air Mobility project in Fiscal Year 2027. The entity to receive funding for this project is Sebring Regional Airport, located at 128 Authority Lane Sebring, Florida 33870.

The funding would be used to design and construct Phase 1 of an Advanced Air Mobility (AAM) facility at Sebring Regional Airport in Highlands County, Florida. The project will establish infrastructure for electric aviation operations, including electric vertical takeoff and landing (eVTOL) and electric conventional takeoff and landing (eCTOL) aircraft.

The project has a federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

C. Scott Franklin
Member of Congress
