Dear Chairman Price and Ranking Member Diaz-Balart,

I am requesting funding for a bridge flyover project on Interstate 4, west of U.S. Route 27 for fiscal year 2023. The entity to receive funding for this project is the Polk County Board of County Commissioners located at 30 West Church Street, Bartow, Florida 33830.

This funding will help move local traffic to an alternative roadway, which will allow for more capacity on U.S. Route 27 for the movement of commerce. The project will also improve regional supply chain issues by alleviating traffic congestion.

I certify that neither I nor my immediate family has and financial interest in my project.

Best regards,

C. Scott Franklin
