Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting \$5,337,875 in funding for Brighton Reservation Road (CR-721) Safety Improvement Project in fiscal year 2024. The entity to receive funding for this project is The Seminole Tribe, located at Brighton Reservation Northeast Glades, FL.

The funding would be used for the Brighton Reservation, Reservation Road Safety Improvement Project will reconstruct 8.1 miles of Reservation Road (County Road 721) to bring the roadway into conformance with current design and safety standards. The requested funds will be used to design a safer facility that currently serves as the main route to the community area of the Brighton Seminole Indian Reservation.

The project has a federal nexus because the funding is for purposes authorized by 23 USC 202, Tribal Transportation Program.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

C. Scott Franklin
Member of Congress
